BOARD OF TRUSTEES	REGULAR MEETING
SANTA MONICA COMMUNITY COLLEGE DISTRICT	October 2, 2018

IV. SUPERINTENDENT'S REPORT

- Updates
 - Enrollment/SMC Promise: Fall credit enrollment is down 1.5 percent, even though headcount is down 2.3 percent, which means students are taking more classes. The **Santa Monica College Promise** program was launched this fall initially open to students coming to SMC directly from 90 high schools near SMC and enrolling full-time, and quickly expanded to all students from any high school in California. 1,710 students are participating in the SMC Promise program and receive waivers on enrollment fees. 81.7 percent of these are **California College Promise Grant**—formerly known as the “BOG waiver”—students who were also awarded textbook vouchers.
 -
 - Malibu: A groundbreaking ceremony was held at the Malibu campus on September 21, 2018. Attendees included officials from Santa Monica and Malibu and L.A. County, as well as representatives of the community and members of the Citizens’ Bond Oversight Committee. Kudos were extended to the SMC Grounds Supervisor Gustavo Gutierrez and his crew as well as and facilities staff. Also recognized were Shari Davis, Kiersten Elliott, Lizzy Moore, Don Girard, Dagmar Gorman, Marilyn Landau, Elaine Polachek and Grace Smith for contributing to the celebration of this very unique endeavor and partnership with multiple agencies.
 - AACC Pathways 2.0 Institute: Eight key SMC staff members attended the AACC Pathways 2.0 Institute in Arizona in September 2018, which focused on student services. Guido Davis Del Piccolo, Maria Munoz and Irena Zugic are the SMC leads for the Guided Pathways program. Following the Institute, a larger contingent of SMC staff visited to Arizona State University and Mountain Community College and met with staff to discuss Guided Pathways.

RECOMMENDATION NO. 1

SUBJECT: **SUPPORT OF CCC BOARD OF GOVERNORS RESOLUTION DECLARING UNDOCUMENTED STUDENT WEEK OF ACTION**

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees support the California Community Colleges Board of Governors resolution declaring October 15-19, 2018 as Undocumented Student Week of Action.

SUMMARY: The Board of Governors approved Board Resolution No. 2018-05 declaring October 15-19, 2018 as *Undocumented Student Week of Action*. The Chancellor's Office, in partnership with the Student Senate, the Community College League of California and other organizations, will be releasing a set of tools and resources for colleges and students to use during and after the *Week of Action* to enhance awareness and support for undocumented students as well as to advocate to our federal leaders.

RESOLUTION OF THE BOARD OF GOVERNORS
CALIFORNIA COMMUNITY COLLEGES

WHEREAS, the California Community Colleges is committed to providing an open and welcoming environment for all students, regardless of ethnicity, religion, national origin, immigration status, age, gender, language, socio-economic status, gender identity or expression, medical condition or disability; and

WHEREAS, the Trump Administration's decision on September 5, 2017, to rescind the Deferred Action for Childhood Arrivals (DACA) program, placed the safety, security and educational future of thousands of undocumented students in doubt; and

WHEREAS, the California Community Colleges have advocated to Congress and the Administration to preserve DACA and respect the contributions of undocumented immigrants, and on January 26, 2017, the Board of Governors passed a resolution expressing its support for DACA and firm commitment to serving all students who can benefit from a postsecondary education; and

WHEREAS, in September 2017, the California Community Colleges' Chancellor issued a Statement of Values and Commitment to Undocumented Students reaffirming the Chancellor's Office will not release any personally identifiable student information without a judicial warrant including data related to immigration status, will not cooperate with any federal effort to create a registry of individuals based on protected characteristics such as religion, race, immigration status, or sexual orientation, and will urge local governing bodies to do the same; and

WHEREAS, numerous community colleges reflecting the diversity of California have adopted policies and procedures consistent with protecting immigrant students and created partnerships with community organizations to help our undocumented students access legal assistance and other services in local communities; and

WHEREAS, the Chancellor's Office, in partnership with the Community College League of California, the Faculty Association of California Community Colleges, the Student Senate of California Community Colleges, and other organizations, sponsored DACA Advocacy Week, October 16-20, 2017, and provided tools such as Congressional contact lists, sample talking points, resolutions, and communications to mobilize the system in support of DACA; and

WHEREAS, the 2017 DACA Advocacy Week efforts resulted in local meetings with Congressional leaders, more than 700 letters and postcards sent from students to members of Congress, and a number of colleges conducting week-long activities to raise awareness of campus-based support for undocumented students;

WHEREAS, despite efforts by the California Community Colleges and many other individuals and organizations in California and across the nation, the preservation of DACA and the adoption of an effective solution for undocumented students remains elusive, which places continued economic and emotional weight on students, their families, communities, and the state; therefore be it

RESOLVED that the Board of Governors declare October 15-19, 2018, as "Undocumented Students Week of Action" to work in partnership with other organizations and encourage the California Community Colleges to engage in activities supporting undocumented students; and be it further

RESOLVED that the Board of Governors supports work by the Chancellor's Office to identify and share best practices for assisting undocumented students, disseminate information to the colleges about how to access funding for immigration defense proceedings and referral to legal service providers; and reinforce state policies that protect student's rights and privacy; and be it further

RESOLVED that the Chancellor's Office is renewing its commitment to actions that raise awareness about opportunities for all Californians to enroll and succeed in postsecondary education, and is providing information specific to the undocumented student population about community college support services as well as external services and resources; and therefore, be it further

RESOLVED that the Board of Governors urge Congressional members to uphold California values and create a pathway to citizenship for undocumented students, which will permit them to achieve their highest potential.

INFORMATION ITEM NO. 2

SUBJECT: **STATE STUDENT SUCCESS SCORECARD**

SUBMITTED BY: Interim Executive Vice-President

SUMMARY: The ultimate purpose of the institutional effectiveness (IE) process is to build and sustain college effectiveness. Santa Monica College (SMC) has systematically assessed institutional effectiveness on an annual basis since 2011-2012. The assessment process involves analyzing the College's performance on dozens of metrics on the SMC Institutional Effectiveness Dashboards that align with the broad areas of the College: academics, support for students, fiscal, college infrastructure, and collegiality. The process informs college planning by identifying and prioritizing the areas needing critical attention and improvement. The data ultimately inform the development of annual action plans the Master Plan for Education.

Elisa Meyer (Chair of the Academic Senate Joint Institutional Effectiveness Committee) and Hannah Lawler (Vice-Chair of the Academic Senate Joint Institutional Effectiveness Committee and Dean of Institutional Research) will provide a brief update on the 2017-2018 institutional effectiveness process, including the work involved to align the dashboard metrics to emerging changes related to state accountability metrics and goals (i.e., Simplified Metrics, Funding Formula, Vision for Success, and the suspension of the IEPI Goals Framework).

Student Success Scorecard

The Student Success Scorecard, a comprehensive accountability system for California Community Colleges, reports data on student progress and success metrics for all 114 community colleges. Christopher Gibson, Senior Research Analyst in the Office of Institutional Research, will present an analysis of Santa Monica College's performance on the Scorecard metrics. SB 1415 (Student Success Act of 2012) requires that community college's local Board of Trustees review the Scorecard data annually.

No action is required by the Board; this report fulfills this legislative requirement.

INFORMATION ITEM NO. 3

SUBJECT: **GUIDED PATHWAYS**

SUBMITTED BY: Vice-President, Academic Affairs

SUMMARY: Utilizing what has come to be labeled a “guided pathways framework,” the College seeks to intentionally and at scale build SMC’s structures and programs to improve and achieve equity in the rates of college completion, transfer, and attainment of jobs with value in the labor market. This requires large-scale transformational changes to current practices that will achieve the following objectives:

- Streamline and better define the academic, transfer, and career paths for students to be more clear, logical, and transparent so that students can make informed decisions related to their college journey.
- Help students gain momentum early in their journey, by offering systematic guidance to all students in selecting career goals and an area of study aligned with those goals while also providing contextualized and embedded academic and non-academic support in critical and gateway courses within those areas of study.
- Build on that momentum by providing intentional and proactive support toward course success and goal completion including targeted academic counseling as well as tools for students to easily track their own progress and recognize the impact of entry and exit points along their academic journey.
- Intentionally and systematically promote the skills of critical thinking, communication, creativity, and collaboration in part by offering tangible, applied, collaborative learning experiences, so that student engagement becomes inescapable for all students.

The hope is that through this redesign of the student experience, SMC paves the way for all open access institutions in California (and the nation) to equitably serve all our students and ensure that a student’s pre-college preparation or life circumstance does not predetermine the student’s outcome in college. SMC’s redesign of the student experience seeks to eliminate the equity gaps, reduce time to completion, and increase the rates of completion, while maintaining high standards and high quality.

RECOMMENDATION NO. 4

SUBJECT: **RATIFICATION OF COLLECTIVE BARGAINING AGREEMENT BETWEEN SMCCD AND THE SMC FACULTY ASSOCIATION – THIRD YEAR SALARY**

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees ratify the amendment to the collective bargaining agreement with the Santa Monica College Faculty Association for a term beginning on August 23, 2016 through August 19, 2019 to provide for Third -Year Salary Pursuant to Reopener.

In connection with the collective bargaining agreement approved by the Board of Trustees on March 7, 2017, the parties did not reach agreement on salaries for academic year 2018-2019. Instead, the agreement provided for a re-opener which the Faculty Association exercised earlier this year. Following adoption of the new state budget and funding formula, the parties reached agreement on an increase in the salary schedule for the 2018-2019 academic year. The agreement provides that all salary schedules shall be increased by 2.00% effective January 1, 2019. All work performed after January 1, 2019, will be at the higher pay level.

Estimated Cost Impact of SMCFA Contract for calendar year 2019:

Estimated Cost Impact of SMCFA Contract - 2% Effective January 1, 2019		
	January 1 – July 30, 2019	July 1 – December 31, 2019
Salary	853,750	760,333
Retirement	138,991	153,642
Medicare	12,380	11,024
SUI	427	380
Workers' Compensation	14,693	13,085
Total Projected Cost	1,020,241	938,464
Projected Cumulative Cost	1,020,241	1,958,705

This recommendation is contingent on ratification of the agreement by the Faculty Association. The results of voting should be available prior to the Board meeting.

RECOMMENDATION NO. 5

SUBJECT: **LEASE AGREEMENT WITH CITY OF SANTA MONICA FOR AIRPORT ARTS CAMPUS**

SUBMITTED BY: Director, Facilities Planning
 Chief Director, Business Services
 Campus Counsel
 Senior Director, Government Relations/Institutional Communications

REQUESTED ACTION: It is recommended that the Board of Trustees approve a lease agreement with the City of Santa Monica for premises (the Airport Arts Campus) at 2800 Airport Avenue at the Santa Monica Airport for five years commencing April 1, 2018, with a five-year renewal option, at a monthly base rent of \$43,291.90, subject to a 2.5% annual increase. During the first five years, SMC may provide up to \$227,556.48 in tenant improvements as a credit to the rent (for the first year, \$3,607.66 credit per month, for an adjusted first year monthly base rent of \$39,684.24). SMC may terminate the lease agreement at any time with twelve months notice under conditions of fiscal emergency. The lease agreement also provides for a one-time payment of \$250,000 to the City of Santa Monica to discharge a prior commitment by SMC to make roadway improvements to Donald Douglas Loop South connecting its Bundy Campus to Airport Avenue and to resolve an issue regarding back rent for use of 3500 Airport Avenue.

BACKGROUND:

SMC first leased the 2.2-acre Airport Arts Campus from the City of Santa Monica on July 1, 1988. This was SMC's first satellite campus. The lease ran for ten years, followed by a ten-year renewal. Since July 1, 2008, SMC has occupied the premises with the City's consent under the terms of the expired lease agreement. Since August 1, 2015, SMC has occupied the premises with the City's consent under the terms of the expired lease agreement subject to an increased monthly base rental rate.

The campus is approximately 25,086 square feet of classroom and other instructional space and provides approximately 180 parking spaces. The current rent is \$32,116.25 monthly.

SMC has housed multiple programs at the Airport Arts Campus over the 30 years of use. (The property was originally built as an Organized Reserve Corps Armory site for the U.S. Army and had been in use as the Donald Douglas Museum immediately prior to SMC's use.) The Scholars Program, Interior Design, Architectural Interior Design, and Graphic Design have all been located at the site; both the Theater Arts program and the Academy of Entertainment & Technology programs were housed there in interim spaces during their respective building renovations; and currently the Ceramics program, the Arts Mentor program, and the Photovoltaics program are on site.

Over the long term, SMC anticipates relinquishing the site and making use of the approximately 2.35-acre addition to the Bundy Campus that SMC acquired as a result of a land swap with the City of Santa Monica and the Exposition Metro Line Construction Authority in 2011. At the present time, SMC is planning an extensive demolition and construction program for the southern portion of its Main Campus and is unable to relocate the existing programs at the Airport Arts Campus. Staff also believes it is prudent to retain the satellite campus during the Main Campus renovations should unanticipated circumstances arise.

TERMS OF THE AGREEMENT:

SMC accepts the premises "as is". The lease is for five years and commences April 1, 2018, at the new rate as set by the City and may be extended for an additional five years. SMC may use the property for general office, administrative, educational, and instructional uses consistent with those expected for a community college, or for aeronautical ground training classroom instruction.

The lease agreement is consistent with City's obligation to comply with the terms of the Settlement Agreement and Consent Decree between the Federal Aviation Administration and the City of Santa Monica.

The new monthly base rent is \$43,291.90, subject to a 2.5% annual increase. SMC will provide a one-time catch-up payment to the City of Santa Monica to account for the difference in rent collected and rent owed for the period between April 1, 2018 and the execution date of the lease agreement. SMC has been paying rent at the monthly rate of \$32,116.25 pending an executed lease agreement.

SMC is obligated under the lease agreement to return the premises to the City in good order. SMC believes such requirements will likely require tenant improvements to be made by SMC in the normal course of events. SMC and the City of Santa Monica have agreed that up to \$227,556.48 in tenant improvements may be applied as rent credits to be spread out over the initial five years. This equates to a monthly base rent of \$39,684.24 for the first year. SMC must provide written documentation of its expenditures, which can include wages and benefits of SMC staff performing the improvements.

The lease agreement additionally addresses certain issues arising between the City of Santa Monica and SMC with regard to SMC's Bundy Campus, located adjacent to the Santa Monica Airport. SMC has made a commitment to perform improvement work to a motor vehicle and pedestrian access way between the Bundy Campus and Airport Avenue, and has taken prior actions in preparing design documents. The City of Santa Monica has agreed to take on the entire responsibility for this work. In consideration of being released from this obligation, SMC commits to a one-time payment of \$250,000 to the City of Santa Monica. Such payment also resolves any issue with regard to back rent for use of 3500 Airport Avenue for parking prior to the execution of the City/Expo/SMC land swap; and such payment is made with the condition that motor vehicle and pedestrian access is maintained at all times between the Bundy Campus and Airport Avenue.

Under the lease agreement, SMC is solely responsible for the maintenance and repair of the exterior and interior of the premises and to keep the property in good working order and condition.

The lease agreement maintains an existing arrangement, whereby the City of Santa Monica has use of the triangle parking lot for its own purposes on every Sunday.

The annual cost for the first year with the tenant improvement credit will be \$476,210.88. This compares to the annual cost for the previous twelve months of \$385,395.00. The increase in rent for the first year is \$90,815.88.

Amount: \$517,000
Funding Source: Strong Workforce Program (SWP) Regional Share
(SMC is the lead institution for the L.A. Consortium)

Summary: The Economic Development Corporation of Los Angeles (LAEDC) will undertake comprehensive market research and analysis to produce a report with an executive summary on “The Future of Work and Education, and what it means for LA County’s Community Colleges”. The analysis will include current and projected external conditions with recommendations for community colleges to remain competitive over the next five to 10 years. Recommendations will include key elements of a plan of action, with short, medium, and long-term recommendations.

The research will focus on:

- Market forces affecting LA County’s 19 Community Colleges (CCs) including: enrollment, funding, outputs, relevance to key customers.
- Competitive landscape analysis (for-profit, MOOCs) and forecasted/projected market share gains/losses.
- Competitive strength of the CC value proposition.
- Threats/opportunities posed by specific technologies/disrupters.
- Relevant examples of other industries that have faced similar market challenges, but have reinvented themselves successfully.

Additionally, LAEDC will develop public relations campaign with editors/ editorial boards in Los Angeles. LAEDC will implement an integrated social media campaign across Twitter, Facebook and LinkedIn to promote community college programming to business and community members in target industries such as bioscience, DME, A&D, and advanced transportation.

17-A CHANGE ORDER NO. 15– STUDENT SERVICES BUILDING

Change Order No. 15 – BERNARDS BROS. on the Student Services Building project in the amount of \$258,060.

Original Contract Amount	\$77,438,000
Change Order No. 1	17,634
Change Order No. 2	13,169
Change Order No. 3	28,294
Change Order No. 4	204,509

Change Order No. 13	14,589
Change Order No. 14	15,578
<u>Change Order No. 15</u>	<u>258,060</u>
Revised Contract Amount	\$78,753,887

Project Schedule: This change order results in extending the contract length by 21 days. Expected Substantial Completion is February 2019.

Funding Source: Measure U, S, AA, V

Comment: Change Order No. 15 includes the furnish and install the following:

- The developed length of the 4" waste line requires a 1% slope at the P3 level. The sewer invert would have been lower than the 60" depth for Sump Basin SPT-2. To prevent this, RFI 62 lowered the sump basin to accommodate the developed length of the discharge pipe and added a stepped footing.
- Work associated with exposing transite, removing the transite, and restoring the condition after transite removal.
- Furnish & install an actuator to bypass damper of AHU-01, and tie it into the BMS system for control.
- Provided new design of vertical mullions between L1 and L2 mullion. This requires (168) vertical mullions to be ripped/cut on the backside to slip over the vertical HSS.

- Furnish & install trap primer piping per RFI 132 response in order to provide water to each trap primer at Mechanical Room 1 - P100H and Mechanical Room 2 - P100B on P1 Level. Routing includes 3/4" CW piping to TP-2, 1/2" CW piping from TP-2 to FS-1, flex line down to P2 Level, and connecting to FS-1 per detail 2/P-6.02. Pricing includes installation of two (2) trap primers and GPR scan (concrete scan for new floor penetrations).
- Revised waterfall drains and topping slab to the water feature.
- Demo column framing at Level 1 (columns G/3 and h/3) so that the tube steel for the West Canopy structure could be installed. Reinstall full height column framing that had to be removed for the West Canopy structure.
- Install slip resistant walk pads at Level 3 East balconies
- Modified the elevations of the east and west space frames per direction from architect in order to align with the curtainwall
- Modify HSS column plates in the field due to partition jamb and mullion conflicts.
- Fur Out Wall at Vestibule S297F to enclose exposed storm drain piping.
- Fur out wall at underside of concrete slab due to downturn beam location at P-1 Stair 1 North Wall.
- Extend soffit 2'-0" to the north at Study Area S370D to clear 6" storm drain and overflow drain piping.
- Add shadow boxes at the east entrance south elevation to hide full height fire rated walls behind glazing system.
- Additional layer of 5/8" drywall at the south wall of Storage Room S181H and Orientation Lobby S180. Also, an additional layer is needed as the depth of wall type K will not allow for the install of the receptacle back boxes.
- Furnish and install new 36"x36" precast concrete catch basin (note SD20 on civil sheet C-1.52), 8" check valves, 8" gates valves, ductile iron pipe, thrust block and line size fittings, and associated piping and fittings
- The existing Art Building storm drain lines could not remain in place as indicated since the chilled water lines needed to be installed in the same area.
- Additional drywall in order to conceal exposed HSS tube steel.
- Furnish and install Cisco cameras to reflect the product migration to the 8020 and 8030 cameras. The Cisco cameras called out per specifications were end-of-life announced on 4/9/18.
- Remove HSS 2x2 from flange of bottom flange of beam, and replace with metal stud frame assembly due to fact the HSS could not be welded to the structural beam per field layout.
- Add low wall to Kiosk roof parapet to provide support for roofing board and membrane per RFI 984 response.
- Install additional drywall to conceal conduit at Stair 4 per RFI 986.
- Furnish (4) new Stanley Access Dura-Glide 3000AG with access control per Bulletin 95 and RFI 995 response
- RFI 888 brought up the problem that the foil faced insulation would be exposed at the UHPC gaps. The solution, as discussed in the field was to apply paint behind UHPC panels. This PCO is for labor and material to paint behind the panels

17-D **CHANGE ORDER NO. 1– RELOCATION OF COMMUNICATIONS EQUIPMENT – MALIBU CAMPUS**
Change Order No. 1 - County of Los Angeles/Internal Services Department (ISD) on the Malibu Campus Relocation of Communications Equipment project in the amount of \$15,627.56.

Original Contract Amount	\$ 158,800.00
<u>Change Order No. 1</u>	<u>\$ 15,627.56</u>
Revised Contract Amount	\$174,427.56

Funding Source: Measure S, V

Comment: As part of Ground Lease Agreement with the County of Los Angeles, the District is responsible to set-up a temporary communications system for the County. Due to the sensitive nature of the Sheriff and County Emergency communication system, the County of Los Angeles requested the District's approval for the County to provide professional design services and complete the relocation of the data and radio systems equipment from the Main Communication Room located in the basement of the existing sheriff building to be demolished, to the first level of the existing court house/library building per the Lease Agreement.

In the original contract, the County omitted the scope to relocate the fiber communication cables that service the communication equipment. This change order includes the installation of conduits, re-pulling of cables, and the reconnection of the equipment for the temporary communication systems.

There will be no additional change orders for this relocation project.

Change Order No. 1 includes the furnish and install the following:

- Relocation of fibers telecommunication services in the Sheriff's Annex Main Telephone Room to the Secondary Demarcation Point.

17-E **CHANGE ORDER NO. 1 – EXTERIOR/INTERIOR PAINT PROJECTS (ADMISSIONS COMPLEX, DRESCHER HALL STAIRWELLS AND STUDENT HEALTH AND ACTIVITIES)**

Title of Grant: **2018 CalMHSA Health and Wellbeing Mini Grant Program**
Granting Agency: Los Angeles County Department of Mental Health (LACDMH) in collaboration with California Mental Health Services Authority (Cal MHSA)
Augmentation Amount: \$5,000
Matching Funds: N/A
Performance Period: September 1, 2018 – November 15, 2018

Summary: Mental Health Services have become increasingly important on college campuses. College students are more likely to have a pre-existing mental health condition, while community college students are less likely than their 4-year peers to have access to mental health treatment. The Center for Wellness and Wellbeing, Health Services, and Active Minds are working to promote early intervention through outreach and awareness events on campus.

Cal MHSA and the Los Angeles County Department of Mental Health provided \$5,000 in one-time funding to grantees to host a mental health outreach and awareness event. The event will support building and sustaining more strategic community-based partnerships to expand mental health services, as well as provide earlier intervention services to students by making them aware of resources on and off campus.

Granting Agency: California Community Colleges Chancellor's Office
Augmentation Amount: \$200,000
Matching Funds: N/A
Performance Period: October 2018 – December 2021

Summary: Santa Monica College established its existing Veterans Resource Center in 2010-11 to address the unique needs of student veterans, and serve as a resource for faculty and staff as they created a teaching and learning environment conducive to their academic success. Through the CCCCO's Veterans Resource Center Grant Program, SMC will expand the capacity of its existing center to provide student veterans with the support and services they need to achieve success. This project will seek to improve or enhance the educational outcomes of student veterans, focusing on course completion, persistence, and goal attainment, including degree or certificate completion, transfer and employment.
