17-B COOPERATIVE AGREEMENTS

Public Contract Code 20118 gives the district the authority to purchase through another public agency but must follow all terms and condition set forth by the bid of such agency. This is commonly referred to as piggybacking. The annual award of piggyback-allowed contracts bid through various state and local agencies allows SMC to purchase without advertising for bids, if it is determined it to be in the best interests of the district. The district is recommending participation in the following piggyback-allowed bids, as listed below during the 2023-2024 fiscal year. The agreements are valid for the entire fiscal year with the exception of those notes with their respective expirations.

- Foundation for California Community Colleges (FCCC), Contract 0000-7791, with Haworth, to 08/20/28, for furniture and fixtures applications

RECOMMENDATION NO. 19

SUBJECT: **REVISION OF ENDING DATE FOR TENANTS OF 3400 AIRPORT AVENUE;
ADDITION OF RENT REBATE INCENTIVE**

SUBMITTED BY: Vice-President, Business/Administration
Senior Director, Government Relations/Institutional Communications
Campus Counsel

REQUESTED ACTION: It is recommended that the Board of Trustees discuss and authorize the District to set October 31, 2024 as the end date for tenancies at 3400 Airport Avenue. This replaces a prior notification to tenants setting June 30, 2025 as the end date. The revised end date aligns with City of Santa Monica planning for the expansion of Memorial Park. It is also recommended to authorize the District to provide tenants who vacate by October 31, 2024 with a cash rebate equivalent to two months' rent.

DISCUSSION:

Santa Monica College intends to convert 3400 Airport Avenue to educational use. The Board of Trustees at their March 7, 2023 meeting authorized the Superintendent/President to contract with a qualified architect to prepare the design and construction documents necessary to provide a minimum of four regulation tennis courts on the Santa Monica Airport side of SMC's Bundy Campus. These courts will also accommodate pickleball.

The District indicated at the time that it would notify tenants of 3400 Airport Avenue of the intended change of use and would provide tenants with a two-year advance notice of termination. Notices were sent May 15, 2023, setting June 30, 2025 as the end date.

The City of Santa Monica has asked the District to begin construction of the tennis courts earlier than planned in order to coordinate with planned improvements at Memorial Park. The existing tennis courts at Memorial Park will be unavailable during construction. The District project for tennis courts would mitigate the loss and provide an interim replacement.

The District is supportive of the City's request. Completing the improvements at Memorial Park in a timely fashion will make the best use of SMC's contribution of \$20 million of Measure V funds to that project. The District also notes that the building maintenance issues at 3400 Airport Avenue are extensive and that additional use over time risks expensive repairs.

The revised notice will provide tenants with approximately 12 months of notice. This is appropriate, given the current softness of the commercial real estate market. Together with the earlier notice, the combined notice of termination will have provided tenants with approximately 17 months of preparation. To assist tenants, the District will provide tenants who vacate by October 31, 2024, with cash rebates equal to two months of rent. All tenancies are month-to-month.
