Individuals wishing to speak directly to the Board can do so in one of several ways:

It is recommended that Individuals wishing to speak at a Board of Trustees webinar send an email to the Recording Secretary (Rose_Lisa@smc.edu) by 4:30 p.m. for the Closed Session beginning at 5:00 p.m. or by 5:30 p.m. for the regular session starting at 6:00 p.m. The email should contain the subject line "Board Meeting Comments" and include the following information in the body of the email:

When it is time for the speakers to address the Board, their name will be called and the microphone on their Zoom account will be activated. A speaker's Zoom Profile should match the name used to request to speak to expedite this process.

After the comment has been given, the microphone for the speaker's Zoom profile will be muted.

- Charter Schools: \$600 Million
- Lead in Water Testing and Remediation: \$115 Million (out of Modernization)

RESOLUTION:

WHEREAS, the California Community College system is the largest postsecondary system of education in the world, enrolling approximately 2 million students each year; and

WHEREAS, California's 116 community colleges and 72 centers are located in nearly every community in the state, serving more than 70 percent of California's public postsecondary undergraduate students; and

WHEREAS, the primary mission of the California Community Colleges is to offer academic and vocational instruction, by granting certificates, associate degrees, and select Baccalaureate degrees, and providing transfer opportunities to four-year institutions; and

WHEREAS, the California Community College Chancellor's Office estimates unmet community college facilities needs of approximately \$27.5 billion over the next five years; and

WHEREAS, Proposition 2, the Kindergarten Through Grade 12 Schools and Local Community College Public Education Facilities, Modernization, Repair, and Safety Bond Act of 2024, provides \$1.5 billion to community colleges for constructing new classrooms to accommodate growth and provide job training, repairing health and safety issues, renovating facilities, and equipping learning spaces with essential technology; and

WHEREAS, the Santa Monica Community College District has over \$100 million in facility need, including for buildings more than 75 years old, which may be partially funded by State matching funds; and

WHEREAS, facilities support student success and basic needs of our students, providing spaces to access important services like food, health care, counseling, and financial aid; and

WHEREAS, 13,000 middle class jobs, including almost all building trades, are created for each \$1 billion in school facility infrastructure investments; and

WHEREAS, quality community college facilities enhance the education and training of a skilled 21st Century workforce, in furtherance of the State's academic and economic goals; and

WHEREAS, Proposition 2 will not raise State taxes, and state matching funds reduce the need for additional local property taxes for college facilities.

NOW, THEREFORE BE IT RESOLVED, that the Board of Trustees of the Santa Monica Community College District supports Proposition 2, the Kindergarten Through Grade 12 Schools and Local Community College Public Education Facilities Modernization, Repair, and Safety Bond Act of 2024.

MAJOR ITEMS OF BUSINESS

RECOMMENDATION NO. 20

SUBJECT: ADOPTION OF EDUCATION PROTECTION ACCOUNT (EPA - PROP 55, AN EXTENSION OF PROP 30) EXPENDITURE PLAN

SUBMITTED BY: Vice President, Business and Administration

REQUESTED ACTION: It is recommended that the Board of Trustees approve the plan to expend the 2023-2024 Education Protection Account (EPA) funds of \$15,876,784 on instructional salaries.

SUMMARY: Proposition 55, The California Children’s Education and Health Care Protection Act of 2016, which was an extension of Proposition 30, temporarily raises the income tax rate for upper-income-earners (over \$250,000 for single filers, over \$500,000 for joint filers, and over \$340,000 for heads of households) through 2030-2031 to fund the State’s Educational Protection Account which provides funding for local school districts and community colleges.

Under Proposition 55, Districts have sole authority to determine how the moneys received from the EPA are spent, provided that the governing board makes these spending determinations in an open session of a public meeting of the governing board. Each entity receiving funds must annually publish on its web site an accounting of how much money was received from the EPA and how that money was spent. Additionally, the annual independent financial and compliance audit required of community colleges shall ascertain and verify whether the funds provided by the EPA have been properly disbursed and expended as required by law.

This recommendation is submitted to comply with Proposition 55 provisions requiring the governing board to make the spending determination in an open session of a public meeting of the governing board. The estimated EPA that our District will receive for 2023-2024 as of P2, is \$16,168,635. Accordingly, the amount of EPA funds as of the recalculation of apportionment for 2022-2023 decreased from the P2 amount of \$9,827,751 to \$9,535,900 or a decrease of <\$291,851>. The entire amount for 2023-2024 less the decrease in 2022-2023 funding will be spent on instructional salaries. The EPA funds are NOT additional funds but rather are components of the “computational revenue” calculations and will be offset by a decrease in apportionment funding received by the State.
