IV. SUPERINTENDENT'S REPORT

- Professional Development Day, March 12, 2024: The theme is “Learning from Within: Sharing Our Why.” The day promises to be an exploration of the essence of our purpose, knowledge, and motivations. This introspective journey aligns seamlessly with the initiatives of Caring Campus. The event runs 8 a.m. – 4:15 p.m. (Opening ceremony at the John Adams Middle School auditorium). For more information, please refer to the Professional Development Day [website](#).

Link to: [Presentation](#)

- SMC Start Up Event, February 27, 2024: This event is held in the fall and spring during week three to provide students with opportunities to connect with one another and receive information on resources available to them. It is sponsored by the SMC Foundation and Community and Academic Relations. There were approximately 1,000 students who participated in a variety of activities designed for them to make connections with other students and faculty to help with their retention and success at SMC. The students received information on spring events, campus club awareness, midterm motivation college fairs and commencement.

- Enrollment Update

- Spring 2024 enrollment: Total headcount is up 4.29 percent from last spring; credit FTES are up 5.06 percent from last spring; and non-resident FTES are up 10.78 percent from last spring.
- Current Progress Toward SEM goals: Credit FTES are up 3.86 percent (target is 3 percent annual growth); Noncredit FTES are up 17.14 percent (target is 5 percent annual growth); and non-resident FTES are up 11.34 percent (target is 5 percent annual growth).

Link to: [Enrollment Update](#)

- Budget Update: On February 20th, the Legislative Analyst’s Office released an update of their projection of the State deficit for 2024-2025. Based on revenues in December and January, they have increased their projected deficit for the state by \$15 billion to \$73 billion. The California Community Colleges Chancellor’s Office’s projection right now is a 3.55 percent current year deficit factor or reduction in funding to the college equal to \$5.9 million.

Put into perspective, on July 1, 2022, the college had \$43.9 million in reserves, and 24 months later, if this deficit factor happens, projections indicate that there would be \$18 million in reserves. Senior Staff and the Budget Committee are working vigorously to try to address the reduction in reserves this year. But it's important to note that if this deficit factor were to fully materialize, combined with the projected deficit right now, there would be a loss of \$15.8 million and the Board would not be able to pass a budget with a 5 percent reserve in June. Updates will be provided over the next two months as the tentative budget approaches.

RECOMMENDATION NO. 20

SUBJECT: **REVISION TO 2024-2025 NONRESIDENT TUITION RATE**

SUBMITTED BY: Vice-President, Enrollment Development

REQUESTED ACTION: It is recommended that the Board of Trustees revise the adopted nonresident tuition rate from \$406 per unit to \$374 per unit for 2024-2025.

The Board approved the 2024-2025 nonresident tuition rate of \$406 at the February 6, 2024 meeting. On February 9, 2024, the Chancellor's Office issued a revision to the guidelines enabling colleges to revise the nonresident tuition rate so that increases would be "gradual, moderate, and predictable" as outlined in California Education Code.

This change will allow for a more gradual increase, while maintaining fiscal stability for the College.

RECOMMENDATION NO. 21

SUBJECT: DECREASE OF STUDENT PARKING FEE

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees approve a decrease to the Student Parking Fee as follows: Regular Session: \$50, Intersession \$25. Students receiving Promise Grants (former BOGG Waiver) or other specific financial assistance: Regular Session: \$18; Intersession \$10.

SUMMARY: In Spring 2020 the District suspended the collection of parking fees due to the effects of the pandemic. With increased on-ground presence, the District believes reinstating parking fees in Fall 2024 to help offset costs related to the operation of the parking facilities, including parking security, maintenance, repair, and upkeep, is a prudent decision. As part of reinstating the parking fees a decrease in the standard student parking fees from \$93.50 to \$50 for regular sessions and \$49.50 to \$25 for intersessions and for students receiving a Promise Grants (former BOGG Waiver) or other specific financial assistance from \$30 to \$18 for regular sessions and \$30 to \$10 for intersessions is recommended. This reduction in fees is possible due to the retirement of Certificates of Participation that occurred in Fall 2020. The Parking Fee can be used to cover various parking services including parking security, maintenance, repair, upkeep and "Anytime Anyline".

The table below reflects the maximum permissible semester, summer, intersession, and quarter fees that may be charged.

Fiscal Year 2024-2025 Maximum Fees

Fee	Semester	Intersession ^[1]	Promise
Parking Fee	\$70.00	\$34.00	\$30.00
